## **Special Topics Course in Fall 2024:**

The Economics of the University, Econ 259, Mondays & Wednesdays at 9 am

Taught by: University of Richmond president Dr. Kevin Hallock and Economics professor Dr. James Monks

This course counts as a 200-level Economics elective for all majors, minors, or concentrations that require such an elective

Prerequisite: Econ 101

Course description: This course will examine the university from an economic perspective. It will investigate the objectives, constraints, choices, and outcomes of institutions of higher education, with an emphasis on college finances, tuition and financial aid, capital expenditures, compensation structures, philanthropy and endowments, the budgeting process, athletics, and operations.
